The **Women's Issues Committee** is designed to be a special place for Daughters. By focusing on Career, Family, Physical Health, Mental Health, Personal Finance, Senior Advocacy, and Women Veterans, we educate and empower ourselves to serve the Society and our communities. **Women's Issues National Theme is:** *Celebrating and Caring for Women.*

DAR Women's Issues has announced the essay contest:

Head over to NSDAR website for complete details!

"Celebrate and Care for Women

The original three Categories are: Family Issues, Career Issues, Physical, and Mental Health Issues. These categories offer many opportunities for you to enter an essay.

The **VIVIAN'S OUTREACH TO WOMEN (VOW)** is an award program within the Women's Issues Committee. VOW will fund grants made to 501(c)(3) organizations helping indigent, homeless women. VOW will aid organizations/shelters helping women veterans in need of the following services: medical, educational, child care, housing, clothing, food, or other needs consistent with assisting these women to become self-sufficient in their communities. The VOW Grant becomes the catalyst for the sponsoring chapter to establish a long-term relationship with the homeless women's veterans' shelter. Possibilities for involvement are almost limitless.

There are also many ideas for women's issues programs on the site. Check them out at:

Our new State theme is **"A Legacy for Liberty"**. As proud DAR women, we will show our pride and energy for our State, Communities, Country and our own lives. We will work towards making our "Legacy for Liberty" something for the history books!

Look for posts in the monthly "Cyber Sunflower" and on the KSDAR Facebook page!
