Purpose

The purpose of the *DAR Library Outreach Committee* is to serve in coordination with the office of the Librarian General and Kansas State Librarian Connie Becker along with chapter librarians and chapter members to discover, support, and promote our state and local libraries

Goal

The goal of the *DAR Library Outreach Committee* is to promote and support not only our renowned DAR library but those libraries within our own states and local communities. One of the Wright Administration's named goals is "...to highlight historic preservation, education, and patriotism in unique, local, and impactful ways."

All Daughters know the value of our beloved DAR Library; however, we also know the value of our local libraries. They often offer meeting spaces, computer facilities, house histories of our local communities, offer study spaces, and are a wealth of resources as well as a wealth of knowledge.

DAR Book Club

The DAR Book Club has been a very popular activity for chapters. Daughters can find information about the DAR Book Club at both the *Librarian General Information Page* and the *DAR Library Book Club Page* [DAR Library Book Club Reading List Fall 2022.pdf](#)

There will be several discussion sessions over each book. Kansas State Librarian Connie Becker and this Chair will be sending out announcements concerning the discussion dates and future DAR Library Book Club titles. If you wish to see past book discussions, you will find them at: [DAR Library Book Club | Daughters of the American Revolution](#).

What Can You Do?

NSDAR Library Outreach Committee has provided a Power Point with great ideas for chapters. After you read the Power Point, you may think of wonderful ideas to do in your Chapter area.
