K.S.C.A.R. Supports Patriots of Praise

This year (2024-2025) the Kansas State President is Eliza Tindell. She is a freshman in high school. She is from Kansas but currently lives in Maryland because her Dad is stationed there for the Space Force. This means she will not be able to attend your chapter meetings in person but she would love to come virtually or send a video to tell you more about C.A.R. and her project. She will be raising support for Patriots of Praise. This is a 501c3 run by a veteran. He takes active duty military members, veterans, and gold star families on hunting and fishing trips. He has a hunting lodge in Wakeeney, Kansas, and a fishing one in Arkansas. After a day of enjoying time outside they talk about their lives and he shares the gospel with them. The participants have no expenses once they get to the lodge. In some cases, he also provides gas cards so that people can afford to get there. She has easily mailed items to help support her project including Patriots of Praise stickers, bumper stickers, and magnets. The funds raised will pay for food, lodging, pheasants that he raises for them to hunt, and other expenses. If you have any questions about her project or C.A.R. please email or call at the KsCARPresident@gmail.com or 785-249-5148.
