How do you *Light the Fireworks*?

- Make sure your meetings are fun!
- Wear your DAR so your community will begin to recognize you wherever you go!
- Share what works! Sign into the Facebook sites for some chapter sparklers
- Combine with sister chapters for workshops and community events
- Find solutions to include members who can't attend meetings, call a sister for lunch and a ride to the next meeting.
- HAVE FUN! Take cookies to the first responders in your area; collect and deliver board books for your local early childhood education facilities; volunteer in a local classroom; plant a tree; clean a cemetery.
- Be the "Go-To" group in your community! DAR members work hard and have TALENT. Share your talent and enthusiasm for community service. Organize and Mobilize!
- Give out awards! Find a new one your chapter has never given before.
- INVITE A FRIEND OR FAMILY MEMBER!
- Encourage your chapter to get involved in state activities. "At risk" chapters often do not participate.
