

Junior Shoppe Fact Sheet

Vice Chair: Kathryn Largent
Email: Kathryn.largent@gmail.com
Cell: (913) 378-5000
Chapter: Quivira Crossing

What is the Junior Shoppe? The Junior Shoppe is a part of the Junior Membership Committee focused on collecting donated items to sell at State Conference. The purpose of these sales is to assist Kansas Junior Members at the State level.

What kind of donations do we accept?

We accept good quality and/or gently used items. Some example categories include: books, costume jewelry, decor items, handmade crafts, stationary, trinkets, etc. We also accept baked goods, jellies, and other homemade food items.

When and Where to donate? The Junior Shoppe will be selling items during the State Conference in April. You can drop off your donations on Thursday afternoon or Friday morning during Conference.

How are items priced? You may price the items yourself (recommended) or we will price your items for you. Please be aware, the last day of State Conference items may be marked half-price. If this is a concern for you, please let us know.
