The Mission of the DAR Museum Outreach Committee is “to support the National Society’s goals of preservation, education and patriotism by collecting, preserving, exhibiting and interpreting the material culture and social history of pre-industrial America.” Members and chapters are encouraged to become involved with the museum programs to learn more about the historical significance of the 30,000 objects showcased throughout the 3 galleries and 31 period rooms.

Chapters are encouraged to educate members and the public about the historic treasures in the DAR museum by inviting a Correspondent Docent to present a program or host a “Trunk Show.”
