Are you ready for the next step in your DAR journey? Whether you have just joined or have been a member for many years, the **New Horizons Course** is designed to give you a greater foundation and understanding of our organization, help you grow in DAR knowledge, and how to become the leader your **CHAPTER**, **STATE** and **NATIONAL** needs! **Shimmer** even brighter by expanding your knowledge and skills!

Eligibility Requirements:

1. Nomination by your Chapter
2. Subscribe to the American Spirit Magazine
3. Complete the course within one (1) year of the first module completed and turned in

The **New Horizons Course** has 8 sections: Our National Society-Leadership, Administration, Membership, Communication, Governing Documents, Historical Information, Planning and Reporting Tools, and Publications - consisting of 37 modules. In addition there are 2 NSDAR modules (Continental Congress online or in person & DAR Schools), 3 KSDAR modules (participate in Meetings, Tours, or Activities at a local and state level), a hands on Capstone project related to one of the DAR Missions, and a graduation final review - where you give your thoughts on the course! ***I am here to help support you and give you ideas!***

All modules are located on the NSDAR Members website www.DAR.org/members under Committees. The courses have been designed to fit into anyone's busy schedule of work, family, and play, through mostly online self-directed learning.

Upon completion, your Capstone Project and Graduation Final Review are submitted to NSDAR. All graduates will be honored at a KSDAR graduation. You will then be eligible to purchase a Leadership Training Pin and a New Members Course Bar from the DAR Insignia Store. You may also order a Cockade from KSDAR.

Become a **SHOOTING STAR** as your chapter and state strive to meet the challenge to promote DAR education and leadership training over the next three years!
