What a great opportunity to support the projects, committees, and activities that let NSDAR **sparkle!**

By supporting the President General's Project during the Wright Administration, you as a Kansas Daughter will help our National Society:

Celebrate our nation's rich history and diversity of experience upon the threshold of America's 250th anniversary.

Promote belonging throughout our membership by acknowledging with gratitude and friendship each member and her dedicated service to God, Home, and Country.

Encourage and support projects and service opportunities for every chapter to highlight historic preservation, education, and patriotism in unique, local, and impactful ways.

Every Daughter's contribution, regardless of size, will make a difference!

Chapters support the mission of the Wright Administration by remitting the President General's Project Contribution of \$7.50 per member.

Individuals:

- A gift of \$100 qualifies the donor to purchase the President General's Project donor pin, which may be worn on the official ribbon.
- Gifts of \$300 or more allow you to become a member of the Stars & Stripes Supporters Circle and be recognized on the Stars & Stripes Donor Wall.
- A one-time gift of \$1,250 is a benefactor-level gift with the donor being recognized as a Star-Spangled Banner Supporter. The donor will receive a Star-Spangled Banner pin for the official ribbon, a certificate, inclusion on the Stars & Stripes donor wall, and recognition at Continental Congress.
- Donations of \$2,500 or more, in a one-time payment or cumulative donations during the Wright Administration, qualify the donor for recognition as an Old Glory supporter. The donor will then receive the Old Glory pin for the official ribbon, a certificate, inclusion on the Stars & Stripes donor wall, and recognition at Continental Congress.

Individual donations may be made online, through the Sustaining Supporter monthly giving program, or by completing the Donation and Contribution Form (DEV-1003). These donations count toward Heritage Club Member levels.
