

Service To America Every Hour Counts! 2024-2025

🎯 A goal of the Wright Administration is to encourage and support projects and service opportunities for every chapter to highlight historic preservation, education, and patriotism in unique, local, and impactful ways. Our goal is to log 15 million Service to America Hours into the [Service to America online tally](#). We need your help to exceed our goal!

🎯 The National goal this year, Continental Conference 2024 to Continental Conference 2025 is for members to count and record the number of cards and the number of care packages sent to active duty, veteran's and first responders. This number is tracked at the end of the on-line tally page.

🎯 **National DAR Day of Service (on or around October 11th):** To honor the anniversary of DAR's founding on October 11th, Chapters and individuals are encouraged to engage in meaningful service projects in their communities each year in the month of October.

🎯 **Service in Seconds:** Chapters and States are encouraged to plan meaningful service projects throughout the year. Service in Seconds demonstrates how Daughters can make big impacts in their communities with just seconds of work. Consider planning a Service in Seconds project as a chapter program.

🎯 **Salute to Service:** The Wright Administration is continuing our nationwide "Salute to Service" outreach campaign to recognize veterans and active-duty military. This goal includes chapters sending an ambitious 250 cards to our active duty military/veterans.

🎯 Note that a short YouTube has been made to assist new members and those who wish to learn how to enter hours on the National Website, it can be found at: <https://youtu.be/swikj1MQco>
